My Dear Sir:-

The Building Committee of the New Court House of the City of Baltimore will lay the Corner Stone of the new Court House, with appropriate ceremonies, on Thursday, June 25th, 1896.

I am directed by the Committee to inquire of you if a series of coins of this years coinage can be secured through you.

It is the desire of the Committee to place these coins in the Corner Stone. I am not directed as to what denominations of coins are desired, and I will thank you therefore to give me a list of such coins as are generally used on these occasions, with any other information in connection therewith that you think may be useful.

Thanking you in advance, and awaiting the pleasure of hearing from you, I am,

Yourstruly,
